

DIRECT ENTRY PATHWAYS 2018

ELS Sydney has more than 40 direct entry pathways into quality vocational colleges and higher education institutions. Students who have successfully completed our Academic English Preparation (AEP) program can enter these leading educational institutions without the need to sit an IELTS or TOEFL test. Please note that in addition to the English language requirement, students must meet the academic requirement (i.e. completion of high school/university degree with required GPA) of each institution.
